

# Camping de l'Île Verte

*In order to enjoy your holidays, your health and security are our priorities. You will find as follow our commitments.*

- ★ We have adopted all measures recommended by the French government and our Federation,
- ★ Check-in et Check out procedures are more flexible,
- ★ Our campsites services are opened and adapted : pools open, children playground open EXCEPT the Castle, bar open but less people accepted than usual,
- ★ Animations are adapted,
- ★ Our team wear protective equipment,
- ★ We provide our guests with hydroalcoholic gel and/or liquid soap in the common areas,
- ★ All the equipment provided will be disinfected several times a day,
- ★ We insure that your accommodation is occupied after an extended period. We advice to bring your own pillows and duvets.
- ★ Our campsites have intensified the organization of cleaning of the common areas and equipment and we use virucidal products.

**At our side, you have a role to play to help us welcome you in the best conditions, with respect for others and common sense :**

- respect the distance in closed common places (reception, sanitary)
- If there is too many guests at the pool or playground, choose a less crowded time to go
- Keep your good habits taken at work and at home: barrier gestures, respect for distances, frequent hand washing.
